

CK Elizabeth Ministry Presents

# Hearing God's Voice

A Brunch for Women

SAT. MARCH 29, 9-11AM

CHRIST KING PARISH

2604 N. SWAN BLVD. WAUWATOSA, WI 53226; 414-258-2604

Jesus taught that his disciples would readily and easily hear His voice, yet many struggle to grow in intimacy with God, perceiving Him as distant or silent. Rooted in Catholic teaching, this workshop provides an interactive, hands-on experience for participants, to help them understand the unique way God speaks to them, the various "languages" through which God speaks, and how to discern His voice from among others.
